In collaboration with Gallery 11 Columbia, François LAFFANOUR has opened an exhibition entitled "A Collector's Apartment" in Monaco. The setting, which comes to evoke domestic living by setting the gallery like a home that consists of a bedroom, dining room, is furnished with pieces curated by Mr. Laffanour. The collection of pieces, created by the fabulous designers he represents in his Galerie Downtown, such as Charlotte Perriand, Jean Prouvé, Pierre Jeanneret, Serge Mouille, Ron Arad, Choi Byung Hoon, Garouste and Bonetti, and Ingo Maurer, presents his own magnificent taste for collectible design.
