MAZE Design Basel: A new show dedicated to collectible design joins the MAZE constellation.

As Basel remains a key crossroads for the international art market, a select group of galleries specializing in collectible design have joined forces to launch Design Basel, a new prestige event under the MAZE umbrella, alongside Art Gstaad.

The show will take place on Monday, June 16, and Tuesday, June 17, 2025, in the sumptuous Offene Kirche Elisabethen, ideally located opposite Basel's Kunsthalle.

Each gallery will present a stand highlighting its expertise and unique selection, offering a rich panorama of decorative arts, from the 1950s to contemporary creation.

The group of dealers behind the initiative includes Thomas Fritsch–Artrium (Paris), Galerie Gastou (Paris), Pierre-Marie Giraud (Brussels), Jousse Entreprise (Paris), Ketabi Bourdet (Paris), Kreo (Paris), Laffanour / Galerie Downtown (Paris), Galerie Meubles et Lumières (Paris), Galerie Mitterrand (Paris), Salon 94 (New York), and Thomsen Gallery (New York).

In addition to the design galleries, MAZE Design Basel will present special projects, including Reflets de Nouvel, the show's lounge, and Nikos Koulis Jewels, a jewelry designer.

MAZE Design Basel opens a new chapter for design enthusiasts and collectors. With the invaluable support of the F.P.Journe watchmaking house, the event promises to be a must-attend moment of the global art week—set in a spectacular location at the heart of Basel.
